Stackable Rugged Team Seating

Built for performance and designed with durability in mind, the Easy Stack Bench is the ultimate team seating solution. These all-weather, fiberglass, portable benches are ideal for any environment—from poolside and locker rooms to fields and gymnasiums. With their lightweight, stackable design, EasyRec benches are easy to set up, move, and store without compromising on strength or stability.

KEY FEATURES:

- Single-piece fiberglass construction for strong, stable seating
- Marine-grade PloyCor® gelcoat resists corrosion, moisture, UV rays, and scratches
- All-weather performance for indoor or outdoor use
- Lightweight and stackable for fast setup and compact storage
- Available in 16 standard colors (custom colors available upon request)
- Custom logo and graphic options to show off team spirit
- No assembly required – ready to go out of the box
- Custom colors or gel coats may incur additional fees

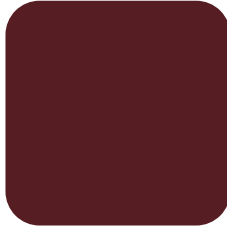

Custom Graphics: Available on the top, sides, or both for an additional fee.
